# DEMO DAY

## September 17, 2026

### Paula Klaassen

**Broderie Perse** -- actually means Persian Embroidery, but it's not embroidery at all. It's applique, usually needle turn applique. This type of applique has been around since the 1700's. We'll talk about it some and I'll demonstrate my particular technique, which may or may not be the way you learned how to do it.

### Diana Loller

**Panel Magic** -- Let's take a panel, add some fabric, cut it into strips, add more fabric and sew it back together. Voila, a one of a kind wall hanging.

### Dee Bushrod

**Pixel Quilts 101** -- Join Dee as she takes you step-by-step through creating your very first pixel quilt, while revealing the three biggest mistakes new pixel quilters make—and how to avoid them.

♥♥ THANK YOU, THANK YOU, THANK YOU! ♥♥

A huge thank you to everyone who came along last night, decorated a bra, donated embellishments or contributed to our Breast Cancer Awareness project in any way.

It was so much fun seeing everyone's ideas come to life — and I absolutely LOVE how completely different every single bra is! From rhinestones and butterflies to pom-poms, flowers, fringe and everything in between... you guys understood the assignment.

But here's the important bit...

IT'S NOT TOO LATE TO ADD YOURS!

The bras won't be going on display at Lot 6 Art Bar until the beginning of October, so we still have plenty of time to add to the collection.

If you'd like to decorate a bra and contribute, you can:

♥♥ Bring it to our September Green Country Quilters Guild meeting, OR

♥♥ Get it to me anytime between now and the end of September.

Whether it's funny, beautiful, meaningful, completely over-the-top or covered in every random embellishment currently taking up space in your sewing room — we want it!

All of the bras will be displayed at Lot 6 throughout October for Breast Cancer Awareness Month, and I would LOVE to see us absolutely fill that space.

Thank you again to everyone who has already contributed. This project means an awful lot to me, and seeing so many people get behind it last night was pretty special.

*Dee Bushrod*

Now... who else has a bra that needs some bling?!

## ROWS and ROSE

## Totes exchange in September!

If you haven't already returned your row totes, please bring them back in **September** - it's exchange month!

Plus, a quick reminder of the guidelines . . .

Participants need to bring their completed row for the month, plus rows already made and leftover fabric (**without sewing the rows together**) in that same black bag to the **September** meeting - get a different bag, then bring it back in **November as the final month**; when the bags go back to the original owner (containing a total of six separate rows and leftover fabric). Providing everyone has completed their rows.

Each row should be 42½" wide with a depth of 2½" to 6½" - unfinished measurements. Rows can be any technique you choose (as simple or as complex as the stitcher wants to stitch).

Your rows DO NOT need to be complicated, intricate, involved, over-the-top, super difficult or mind-bending!! A lot of times, "less is more" and easier and more sane!

**PLEASE attach your name to each row you make!**

**Questions? Contact:** Paula Klaassen / [paulinesgirllok@gmail.com](mailto:paulinesgirllok@gmail.com) / 3804 E 36 - Tulsa

Renew your membership from October 1 - December 31 and be automatically entered into a drawing for a \$100 gift card toward long arming services at a Green Country Quilt Guild business member!

Don't get left in the remnants, the earlier you renew, the more chances you have to win!

## Giving Thimble Nominations

As we look ahead to our upcoming Giving Thimble Award, we invite all members to take a moment to consider nominating someone whose spirit truly strengthens our guild. The Giving Thimble Award honors a member who goes above and beyond—sharing their time, skills, kindness, and enthusiasm in ways that make our quilting community shine.

If you know a member who:

- Lifts others up with encouragement or mentorship
- Contributes quietly and consistently behind the scenes
- Brings creativity, generosity, or leadership to guild activities
- Helps make our guild welcoming, vibrant, and connected

...please consider submitting their name for this year's Giving Thimble Award.

Your nomination helps us celebrate the heart of our guild and recognize those who make a meaningful difference.

The 2026 ballot is included in this newsletter and is posted on the members only website.

## A GCQG LIBRARY BOOK REVIEW BY MARTHA BLEVINS

### Fresh Fabric Treats by MODA Bake Shop Designers

If you want to use precut fabric, this book is for you. Our modern hectic lifestyle screams for a creative outlet to relieve stress. By using precut fabric, you can jump right in and flex your creative muscle.

You will see a selection of MODA precuts in this book. These precut fabrics come in different sizes for different applications. Jelly Rolls are perfect for strip quilting, Charm Squares and Layer Cakes are great for patchwork. Precuts are also handy for making non-quilt projects, such as pillows and tote bags,

Mixing and matching the variety of precuts creates endless possibilities. You can use them to create traditional family heirlooms, museum quality art quilt, or anything in between.

Did you know that MODA Bake Shop has a website with online patterns using precuts? Look for [www.modabakeshop.com](http://www.modabakeshop.com). There is something for everyone from full size quilts to sewing kits to a bag for carrying a laptop computer. And the best part is that there is something for every skill level - beginner to advanced.

Projects in this book include: April in Paris quilt, Super Stars quilt, Flag Baby quilt and banner, Rock Garden quilt, It's a Picnic quilt, Wonky Nine Patch quilt, Summer Sorbet quilt, Block Holder books, Table Runner, Postage Stamp pillow, Pack N' Go tote, Sewing Kit, Jewelry Wallet, Zippity Doodle bag, Tiny Tote, September Bag, Laptop Sleeve and Storage Pouch. Projects include patterns, fabric needs, and sewing instructions.

### It's the Perfect time to check this book out and celebrate National Sew a Jelly Roll Day

**National Sew a Jelly Roll Day** is an annual celebration for quilters and sewists, dedicated to one of quilting's most popular precut bundles: the jelly roll. It falls on the third Saturday of September each year, which in 2026 means Saturday, September 19. The day exists to encourage makers, sewists, and quilters to break open one of these bundles and create something, removing the temptation to simply admire the fabric and never cut into it.

#### How to Celebrate National Sew a Jelly Roll Day

This is a hands-on, get-stitching kind of day, and there is no shortage of projects to choose from. Here are some ideas to make the most of it.

- **Open that jelly roll you have been saving** – Most sewists have at least one pretty bundle tucked away for the right moment. Today is the right moment.
- **Try a quick table runner** – A jelly roll is ideal for a fast, satisfying runner that can be finished in an afternoon.
- **Tackle a jelly roll race quilt** – The famous jelly roll race sews all the strips end to end for a striking quilt top in record time.
- **Make something beyond a quilt** – Jelly roll strips also work beautifully for bags, cushions, rugs, and even clothing.
- **Learn a new technique** – Use the day to try chain piecing, strip sets, or a pattern you have always wanted to attempt.
- **Support a local quilt shop** – Many shops mark the day with sales, demonstrations, and special events, so it is a good time to stock up.

# Hearts and Hands August 2026

If you are new to GCQG, Hearts & Hands is the donation branch of the guild. Together we donate quilts and other items made by our group to around 20 agencies, who serve children, youth and adults in our local area. This last month, 52 quilts were given to 4 Agencies, Bixby Outreach Center, Mercy Missions-Glenpool, Park Church of Christ and Youth Services. We also delivered 38 pillowcases to Ryan's Case for Smiles and Youth Services, and 46 knapsacks went to Youth Services.

**Thank you to all who play a part in completing these wonderful items. Keep up the good work!**

Please stop by the H & H table at our next guild meeting and check out the projects you can take home to work on. We have 3-yard fabric bundles to use with your favorite 3-yard pattern, simple kits to make quilt tops and receiving blankets, Habitat quilt kits to add sashing and outer border to completed house blocks, Habitat house block kits, knapsack kits for Youth Services, a variety of pillowcase kits, quilts to be quilted and quilts to be bound. Take one or more project(s) to work on at home or favorite sew day. We are grateful for every helping hand involved in doing the part you enjoy best.

Our upcoming H & H workdays **are Monday, Sept 21st and Saturday, Oct 3<sup>rd</sup>** from 9-2 pm at **Spirit Life Church, 5345 S Peoria Ave., Tulsa**. Use the door on the **north** side of the church, in the corner of the parking lot by the trees and shrubbery. Please call Ann or Lynessa and someone will open the door for you. We have an elevator to haul wagons and bags to and from our work rooms. If you want a wagon to come down and help load in your things, please let us know when you call.

We have a great team of quilters, and all are welcome to join us. Come help us process finished quilts, prep and get kits ready for piecing, quilting and binding. You can browse the fabric supply we have, build your own kit from the fabrics and precuts we have available. Take some home to make quilt tops for Hearts and Hands. You can come and pick up projects on our workday to work on at home or you can stay and sew there or help work on the needs of that day. We have sewing machines, so you don't have to bring yours. Bring a lunch and work with us, we are there from 9 am to 2 pm. We enjoy greeting and meeting new faces and welcoming them into our team! It's a pleasure working alongside such wonderful quilters! We look forward to seeing you all at one of our workdays and the next guild meeting!

# Boutique Table

The Boutique Table is an extension of Hearts and Hands and helps us buy batting and supplies. It allows us to clean our sewing rooms and donate to the guild. The treasures that come in, go home with others who are thrilled to see them and excited to finish our orphan projects or add items to their stash. You do not have to worry about taking what you brought back home with you as leftovers are donated to other groups that can use them. **There was \$216.50 brought in at the August Table.**

If you are cleaning out things from your sewing space, fill a bag or two for the table and we will put it to use. As quilters, we are multi-crafters sometimes too, so all craft type supplies are welcome. You can bring it to the Guild meeting or if you need it out of your way sooner, just contact **Ann Olson at 918-606-6344.**
