October 2026

The October speaker, Anny Clark — last year's winner for Best Costume — will join us with her presentation, "The Intersection of Quilting and Costumes." She'll explore how quilting techniques, textures, and storytelling elements find their way into wearable art, stage garments, and imaginative costume design. Her program promises a lively blend of creativity and Halloween-season fun, perfect for inspiring both quilters and costume-makers alike.

🎃 🧛 Calling all Green Country Quilters Guild members! 🧛 🎃

It's time to dust off those witches' hats, dig out your best disguises and get a little SPOOKY!

Our October 15th guild meeting is getting a Halloween makeover, and we're inviting EVERYONE to come dressed in costume!

Whether you're a wicked witch, a quilting superhero, a walking fabric stash or something completely outrageous, we want to see it!

And because we quilters LOVE a good prize...

🏆 We'll be holding a Halloween Costume Competition, with some quilty goodies up for grabs!

So get creative, have a little fun and come ready to show off your Halloween spirit!

Bonus points in our hearts for anything sewing or quilting related.

October 15th — don't forget your costume!

Let's make this a SPOOKTACULAR guild meeting!

Join us for an evening of good food, warm fellowship, and creative conversations as we celebrate another wonderful year of quilting together. The winners of the Giving Thimble and the UFO Challenge will be announced, see results of the Rose and Rows challenge and we'll also introduce our new Board members. It's a perfect night to enjoy the company of friends, and look ahead to a bright new year for the Guild.

# Thinking about volunteering for First Vice President?

## What Does the First Vice President Actually Do?

(Besides looking fabulous at the front of the room)

Our First Vice President is the Guild's cheerful right-hand helper, backstage magician, and President-in-training. If you enjoy pitching in, keeping things running smoothly, and sprinkling a little fun into the mix, this role is stitched just for you.

## Your Patchwork of Monthly Adventures

- **Be the President's Partner-in-Crime** Help with whatever is needed before meetings—planning, prepping, wrangling details, and keeping the quilting train on its tracks.
- **Step Into the Spotlight When Needed** If the President can't attend, you get to run the show. Yes, you get the microphone. Yes, it's fun.
- **Help Set Up & Clean Up** Arrive early, fluff the room, straighten the chairs, and help tidy afterward. Think of it as light quilting aerobics.
- **Be a Workshop Helper** Offer support, answer questions, and help keep the creative energy flowing.
- **Serve on the Board** Attend meetings, vote on Guild business, and help guide our quilting community.
- **Create the Monthly Agenda** Put together the meeting plan and share it with speakers so everyone knows when their moment of glory arrives.
- **Chair the Annual Audit** Organize, lead, and report the results of our yearly financial check-in. It sounds big, but it's usually just a couple of hours.
- **Manage the President's Block Tradition** Announce the block, collect the beauties, and present them to the President during their outgoing year. It's like hosting a monthly fabric treasure hunt.
- **Learn the Presidential Ropes** Watch, listen, and absorb the magic so you're ready to be next year's fearless leader.

## Want the Full Scoop?

A more detailed list of duties is available in the Members Area under **Job Descriptions**.

June Nessler had back surgery on Sept 22, please keep her in your thoughts and prayers

## Thinking About Volunteering for the Newsletter?

**It's easier than you think — truly!**

**Come on in — it will be fine.** The newsletter is a friendly, low-stress role you can do entirely on *your* schedule. No special software, no fancy programs, no tech wizardry required. I use **Microsoft Word**, Paula was an **Apple girl**, and both worked beautifully.

The role is fully **flexible**. Work whenever it fits your life — quick sessions, small bursts, or a quiet hour with coffee. Committee members send in their articles each month, so most of the job is **copy, paste, polish, done**.

You'll keep our email list up to date and use it to send out the monthly newsletter and any Guild-wide announcements.

You're not a voting board member, so board meetings are optional — attend only if you want to, but they are a good way to stay informed.

Along the way, you'll naturally expand your **creative toolkit** — content creation, communication, and a few fun AI skills that make the job even easier.

**It's simple, flexible, and surprisingly fun.**

If you have any questions, feel free to reach out to me or Paula Klaassen — we'll support you every step of the way on your publishing journey

Phyllis Smith, Editor

## Early 2027 Membership Renewal!

**Cross it off your list—and you could get rewarded!** Renew your membership for 2027 early and not only get one more thing checked off your to-do list, but you'll also be entered into a drawing for a \$100 gift card!

Renew your membership from October 1 - December 31 and be automatically entered into a drawing for a \$100 gift card toward long arming services at a Green Country Quilt Guild business member!

Don't get left in the remnants, the earlier you renew, the more chances you have to win!

October renewal = 3 entries  
November renewal = 2 entries  
December renewal = 1 entry

**Renewing is easy!** Renew at the membership meetings or online at [greencountryquiltersguild.com](https://greencountryquiltersguild.com)

## Giving Thimble Nominations

As we look ahead to our upcoming Giving Thimble Award, we invite all members to take a moment to consider nominating someone whose spirit truly strengthens our guild. The Giving Thimble Award honors a member who goes above and beyond—sharing their time, skills, kindness, and enthusiasm in ways that make our quilting community shine.

If you know a member who:

- Lifts others up with encouragement or mentorship
- Contributes quietly and consistently behind the scenes
- Brings creativity, generosity, or leadership to guild activities
- Helps make our guild welcoming, vibrant, and connected

...please consider submitting their name for this year's Giving Thimble Award.

Your nomination helps us celebrate the heart of our guild and recognize those who make a meaningful difference.

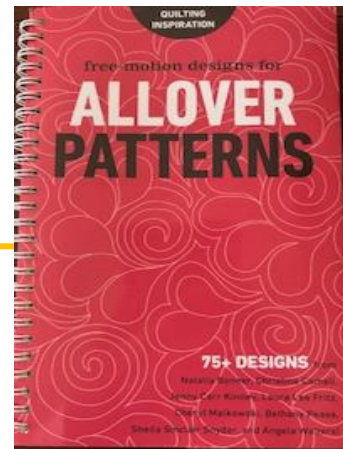

The 2026 ballot is included in this newsletter and is posted on the members only website.

# Hearts and Hands October 2026

If you are new to GCQG, Hearts & Hands is the donation branch of the guild. Together we donate quilts and other items made by our group to around 20 agencies, who serve children, youth and adults in our local area. This last month, 66 quilts were given to 4 agencies, as well as 46 receiving blankets and burp cloths given to 2 agencies.

**Thank you to all who play a part in completing these wonderful items. Keep up the good work!**

Please stop by the H & H table at our next guild meeting and check out the projects you can take home to work on. We have 3-yard fabric bundles to use with your favorite 3-yard pattern, simple kits to make quilt tops and receiving blankets, Habitat quilt kits to add sashing and outer border to completed house blocks, Habitat house block kits, knapsack kits for Youth Services, a variety of pillowcase kits, quilts to be quilted and quilts to be bound. Take one or more project(s) to work on at home or favorite sew day. We are grateful for every helping hand involved in doing the part you enjoy best.

Our upcoming H & H workdays are **Saturday, Oct 3<sup>rd</sup>, Monday, Oct 19 and Saturday, Nov 7<sup>th</sup>** from 9-2 pm at **Spirit Life Church, 5345 S Peoria Ave., Tulsa**. Use the door on the **north** side of the church, in the corner of the parking lot by the trees and shrubbery. Please call Ann or Lynessa and someone will open the door for you. We have an elevator to haul wagons and bags to and from our work rooms. If you want a wagon to come down and help load in your things, please let us know when you call.

We have a great team of quilters, and all are welcome to join us. Come help us process finished quilts, prep and get kits ready for piecing, quilting and binding. You can browse the fabric supply we have, build your own kit from the fabrics and precuts we have available. Take some home to make quilt tops for Hearts and Hands. You can come and pick up projects on our workday to work on at home or you can stay and sew there or help work on the needs of that day. We have sewing machines, so you don't have to bring yours. Bring a lunch and work with us, we are there from 9 am to 2 pm. We enjoy greeting and meeting new faces and welcoming them into our team! It's a pleasure working alongside such wonderful quilters! We look forward to seeing you all at one of our workdays and the next guild meeting!

# Boutique Table

The Boutique Table is an extension of Hearts and Hands and helps us buy batting and supplies. It allows us to clean our sewing rooms and donate to the guild. The treasures that come in, go home with others who are thrilled to see them and excited to finish our orphan projects or add items to their stash. You do not have to worry about taking what you brought back home with you as leftovers are donated to other groups that can use them. **There was \$410 brought in at the September Table.**

**The October meeting is our last Boutique table for the year, as we will have Potluck in November. No meeting in December and we will be back in January!**

If you are cleaning out things from your sewing space, fill a bag or two for the table and we will put it to use. As quilters, we are multi-crafters sometimes too, so all craft type supplies are welcome. You can bring it to the Guild meeting or if you need it out of your way sooner, just contact **Ann Olson at 918-606-6344.**

**Plaidurday** celebrates the charm of plaid in all its woven glory, and quilters know better than anyone how delightful those crisscrossed lines can be. It's the perfect day to pull out your plaid fabrics, stitch up a cheerful block, or simply admire the way color and pattern dance across a well-loved flannel. Whether you're matching stripes with precision or letting the lines fall where they may, Plaidurday invites us to play, experiment, and enjoy the cozy tradition of plaid in our quilting. Wear your favorite plaid, sew with it, or share a plaid-themed project — it's a celebration tailor-made for makers.

See someone using polka dots or stripes?  
Kindly encourage them to try some plaid!

If you're feeling overwhelmed, just remember — plaid is basically stripes that decided to collaborate.
